“The content has been put together after good research and with great care to enable people from all walks of life to easily assimilate. Talks by the experts were deeply insightful. Talks by real donor families and recipients were motivating. Surely, this course will enable me to spread awareness”

- RADHAKRISHNAN
RAMASWAMI

“The “Gift of Life gave me insights into the various aspects of organ donation. It answered many questions in my mind on organ donation. Being an organ donor myself and also being a life member of MOHAN Foundation, it added a new dimension to my knowledge”

- AMRUTHA

“Thanks to the Gift of Life course, the doubts and queries that I had about organ donation, about which I used to think quite often, were addressed very well. This course has equipped me with enough knowledge and confidence to be able to make others aware of organ donation”

- KANCHAN SHARMA

“From a non-medico perspective, it was understandable and simply laid out. What is outstanding is the transparent yet dignified way in which a delicate and sensitive subject like Organ Donation has been handled. This should be introduced in all forums - schools, colleges, workplaces, etc.”

- SURYAKUMARI DUGGIRALA

“The “Gift of Life” course is excellent and very apt for creating awareness about Organ Donation. Being a liver donor myself, I found the course very useful and will certainly see how best I can use the knowledge for promoting awareness about Organ Donation in my own circles”.
